

Seward MED

COLOR CLEANSER COLOR WIPE

Product: Cleansing solution specifically designed for eliminating skin stains caused by the application of hairdye, available in bottle (COLOR CLEANSER) or as disposable wipes (COLOR-WIPE).

Performance: This formula, for professional use, gently removes any color residue and skin stain caused by hairdyeing. Delivered by COLORWIPE, individually packed wipe, it assures a personalized service in salon and a more rapid use by the professional.

Use: **COLOR CLEANSER**
Saturate cotton with the product, gently rub the stained areas, then **rinse**.

COLORWIPE
Gently rub the stained areas, then **rinse**.

WARNING - *The product contains a cleansing agent. Avoid contact with the eyes: should the product come into contact with the eyes, rinse immediately and abundantly with water. Avoid contact with irritated skin. Keep out of reach of children.*

Plus: **DERMATOLOGICALLY TESTED FORMULA**
The formula has undergone rigorous clinical tests at University Institutes, with relation to its specified purpose, in order to guarantee its safety.

VITAMIN E
The Vitamin E contained in the formula has a soothing and moisturising action on the skin, thus contributing to the product's delicate cleansing action.

Size: **Color Cleanser:** 300 mL - code 804
ColorWipe: 100 wipes - code 805
