NO LIMITS TO CREATIVITY WITH INDACO, THE HIGH-TECH RANGE WITH AN ORGANIC SOUL

The INDACO line is conceived to make each style unique; a complete range of professional products presented by Helen Seward dedicated to styling and finishing, to let your personality shine, with no limits. Modelling, sculpting, fixing, illuminating: from natural styles to more structured ones, the innovative range guarantees a professional result, by protecting the natural beauty of hair, thanks to

a blend of exclusive organic extracts which guarantee active, antioxidant protection of hair against the external micro-aggressions of everyday life.

INDACO ORGANIC SOUL.

The active ingredients: Sweet-scented Verbena, Elder, Willow, Red grapevine and Great mullein, all grown strictly organically in the Mediterranean, combined with a natural active ingredient derived from rice and corn.

The valuable active ingredients provide the hair fibre with deep hydration, elasticity and shine, as well as effective protection against heat during styling and an anti-ageing action. They help hair color last longer and provide protection against UV rays.

THE LINES:

SHAPE: SHAPE AND VOLUME

HOLD: EXTREME HOLD

VOLUME: VOLUME AND BODY

SHINE: SHINE AND LIGHTNESS

CARE: PROTECTION AND CONDITIONING
