TECHNO-BOOST

## PLUS

### HYPERFERMENTED ORGANIC RICE WATER EXTRACT

It hydrates and protects the hair fibre from external micro aggressions with its antioxidant properties.

### ANTI-BREAKAGE MOLECULAR ACTIVE REPAIRER

A powerful plant-based active ingredient derived from sugars, clinically proven to strengthen hair by penetrating deep into the fibre, improving resistance to breakage, and restoring strength to damaged hair.

### BOOST SYSTEM TECHNOLOGY (TECHNO\_BOOST)

Thanks to a techno-ingredient, the fragrance compositions of the Hair Mist are even more effective and long-lasting. It is a 'base' scented component that fixes, boosts and prolongs the main fragrance on the hair.
